* Price excludes VAT

Delivery usually takes 2-5 days and costs £4.50

TalentLens Platform

We can provide you with access to your own TalentLens platform account through which you can administer our instruments online.

There is not a set-up fee or annual license to pay, just a minimum initial order value of £500 (ex. VAT) on our online products.

You would also need to open an invoicing account with Pearson. Any online tests you purchase are valid for 12 months. Future orders can be of any value.

N.B. If you wish to use online instruments but do not wish to purchase £500 of materials you can still access the online tests via the administration bureau service below

Bureau Services

We offer 3 options for **Bureau Service**

1) We provide an **Administration** service for those individuals qualified to use our products, but who do not want to open their own platform account, or without the time or resource to administer questionnaires. TalentLens will send the questionnaire and administration instructions to candidates by email. The reports are returned to the qualified registered user by email.

2) We also offer a **Paper & Pencil** scoring bureau service for our qualified registered users using our paper and pencil products. This service is available for RANRA, Raven's, Orpheus and Giotto. Completed answer sheets are sent to TalentLens, an electronic report is then returned by email to the qualified registered user.

3) For customers who are not qualified but wish to use our products we offer a **Full** bureau service. This includes administration and feedback on your chosen instrument. The questionnaire will be sent electronically to the candidates. Following completion one of our Consultants will provide appropriate feedback by telephone and discuss the report.

Pricing

Please note all prices are per candidate and do not include the cost of the questionnaire or VAT. If you have a large number of candidates please email info@talentlens.co.uk to discuss your options

Administration - £5.00

Paper & Pencil

RANRA, Raven's - £30.00

Orpheus, Giotto - £50.00

Full

Ability (e.g.. Watson-Glaser Critical Thinking Appraisal) - £30.00

Personality (e.g.. Golden Personality Type Profiler) - £120.00

Ordering

Administration

Please email info@talentlens.co.uk with your registration details, the instrument you would like to use and the email addresses of all candidates. If you would like to use an ability test, please specify the norm group. Any extra information, such as deadline for the candidates to complete the questionnaires should be provided at this point.

A member of the TalentLens team will then contact you to take payment before sending the questionnaire and administration instructions to the candidates via email. Reports will be emailed to you upon completion of a questionnaire.

Full

Please email info@talentlens.co.uk with your registration details, the instrument you would like to use and the email addresses of all candidates. If you would like to use an ability test, please specify the norm group. Any extra information, such as deadline for the candidates to complete the questionnaires should be provided at this point.

A member of the TalentLens team will then contact you to take payment before sending the questionnaire and administration instructions to the candidates via email. We will also arrange with you a mutually convenient time for our Consultant to provide feedback over the telephone. The length of the feedback session will depend on the instrument and the number of candidates. Following the feedback session the reports will be sent to you electronically.
